LOUIS M. MARTINI.

2023 marks the 90th anniversary of the iconic Louis M. Martini Winery, a cornerstone of Napa Valley. Since 1933, each generation of the Martini family has set new standards in both the vineyard and the cellar reflecting our enduring commitment offering an internationally acclaimed portfolio of Cabernet Sauvignon. In 2013 Lot 1, the pinnacle of the portfolio received the coveted 100 point score from Wine Advocate. Come share with us a bit of Napa Valley History!

On 1995 on a whim, Dave Phinney went off to Florence, Italy to spend a semester studying. He was introduced to wine, how it was made, and got hooked. In 1998 with two tons of zinfandel grapes, he spent the next decade creating Orin Swift. This wine has developed a cult following and Wine Spectator has named Dave's Winemaking to their top 100 list numerous times.

J Vineyards and Winery is the epitome of a luxury wine and culinary haven nestled in the heart of Sonoma Wine Country. J enchants its visitors with extraordinary single vineyard Pinot Noir, Chardonnay, sparkling wines, and exceptional experiences that unleash pure delight in every aspect. The woman behind the wine, Winemaker Nicole Hitchcock, received the award for Winemaker of the Year in 2022. Nicole's passion for winemaking continues to grow as she crafts world-class sparkling and varietal wines from cool-climate fruit in the renowned Russian River Valley.

Talbot Vineyards wines translate our acclaimed vineyards into every bottle. For more than three decades, we have been crafting estate-grown Chardonnay and Pinot Noir inspired by the traditions of Burgundy. Talbot's coveted estate vineyard, Sleepy Hollow Vineyard, is also a certified-sustainable vineyard. These wines are the epitome of lush California Central Coast style and are your perfect sailing complement.

DENNER

Denner Vineyards, the darling of Paso Robles, produces some of the best wine in this region of California. The Denner Vineyards wines are genuine expressions of the vintage, the vineyard and the people that make them. The uniqueness of our soil and the powerful temperature swings in our weather make these wines truly distinct, and we work incredibly hard to bring you the special taste of their time and place.
